

We'll take the burden of all the detail of your event off your shoulders – and let you take the credit for a wonderful event.

Allan Bluett, Company Principal

Allan has over 27 years of [event management](#) experience, including conferences, seminars, trade exhibitions (domestic and off-shore), industry awards, corporate golf days for both the private and public sectors. He has developed the unique ability to convert your vision and objectives for your conference into a detailed, achievable plan with critical deadlines and budgets for all aspects of the conference so that all involved have a clear vision and direction.
